## Recital Fee - Due April 15

Our end of the season recital is fast approaching. We want to take this opportunity to remind everyone that the recital fee due date is quickly approaching. The Recital Fee is due April 15th and is \$75 for a single student and \$30 each additional student. It includes:

- 2 tickets to the Recital performance (additional tickets will be available for purchase closer to recital).
- a participation award
- a yearbook

We are often asked, "Why do we have to pay a Recital Fee?" There are many costs associated with producing a quality show like our recitals:

- the auditorium and backstage rental for the performance and the rehearsal
- paying the facilities manager and custodian support props
- lighting techs and voice talent
- music production
- and much more

We do our best to stay within a budget to keep the most reasonable cost possible so you and your family can enjoy the show. We appreciate all that you do to support your student(s), as we prepare to Dance through the Decades and we hope you all enjoyed the preview of our recital at the spring festival this past month, we are so proud of all our dancers.
