## Senior Spotlight

As graduation is only a few months away we wanted to recognize some of our seniors. This month we would like to introduce you to Amalia.

Amalia is a senior at Riverdale High School and part of the dual enrollment program. You might also recognize Amalia from our front desk as several days of the week you will find her behind the front desk when she is not in class.

Amalia has been dancing at Footnotes for 13 years and is part of the LA Stars competitions team. In the fall Amalia plans on attending USF as a physical therapy major. She is also planning on being a part of their tap club.

## Recital Fee Due - April 15, 2019

The end of season recital is quickly approaching, so we want to remind you the Recital Fee is due April 15th and it \$75 for a single student and \$30 for each additional student. It includes:

- 2 tickets to recital (additional tickets are available for purchase)
- a participation award
- a yearbook

We are often asked, "Why do we have to pay a Recital Fee?" There are many costs associated with producing a quality show like our recital:

- the auditorium and backstage rental for the performance and the rehearsal
- paying the facilities manager, custodian, and security
- props
- lighting techs and voice talent
- music production
- and much more

We do our best to stay within a budget to keep costs reasonable so you and your family can enjoy the show. We appreciate all that you do to support your student(s), as we prepare for recital. If you have any additional questions please reference the recital handbook or feel free to ask we would be more than happy to answer any questions.
