Online Zoom Dance Classes have Started!

We are so excited that we started our online Zoom classes this week. Do to COVID-19 we are not able to meet at the studio, but we are glad that we can continue to dance with all our students. We are working on perfecting our Zoom class experience for you.

Recital Update

Currently our recital is still schedule for Saturday, June 6, 2020. We are following all the recommendations regarding COVID-19 which means our classes are online, however we are still going to order costumes and proceed teaching our recital routines in our online classes. The hope is that we can return to the studio in May and proceed with our recital as scheduled.

If due to COVID-19 we are not able to return to the studio and hold our recital on June 6, please know that my plan is not to cancel recital, we will reschedule for another weekend in the summer or fall if need be. Costumes will get used and our students hard work honored.

Officially Moved In!

We have officially moved into our new studio space in the plaza! We are excited that when we can welcome our students back to the studio, it will be in an entirely new facility. Until then we will see you online!
