Summer Camp 2021

Summer Camp is back this year. If you are interested in attending, please let us know at the front desk. We will add you to a list and email you the registration information as soon as it is available to reserve your spot.

2021 Recital Update

The school district of Lee County has extended their no facility rental date to June 18, 2021. So, we will not be able to rent one of the district high schools for recital this year. We do have some other facility options that we are currently looking at. As soon as we decide on an alternative facility, we will relay all other recital information to you. Although recital may look a little different this year, we are excited to be able to have a recital again this year. All our students are working so hard in class and are looking forward to performing for you.
