Miss Cary Joins Our Footnotes Staff

We wanted to take this time to welcome Miss Cary to our Footnotes family. Many of you may have already met her as she has been with us now for a few weeks.

Cary comes to us from Hialeah, Florida. She graduated from FIU as a dance major.

She is currently teaching our Hip Hop classes on Tuesday evenings. So, if you haven't had a chance to meet Cary yet, please feel free to stop and say hi on Tuesday evenings.

LA Stars Competition Team Update

Our competition teams last month attended Revolution dance Competition. All our teams and dancers did so well. We received many 1st place and high score awards.

But we are extremely proud of the Class Act award. We love all our dancers, and we love how they present themselves at competitions supporting not just our dancers but also dancers from other studios whether they know them or not. This award is not just something our dancers and teachers should be proud of but all our parents this award really is for you too, because it truly takes a village and our dancers learn from the great examples that are being set for them.

This month we are looking forward to Showstopper dance competition in Lakeland, Florida on Friday, April 17 through Sunday, April 19. This will be our last regular competition of the season. We will be attending Nationals this summer Wednesday, July 1 through Sunday, July 5 in Orlando, Florida as well. We are excited to be doing Nationals this year as this isn't something we do every competition season.

We also wanted to let everyone know that auditions for our 2026-2027 season are coming up on Saturday, May 9. The cost of an audition is \$20 per dancer. [More details online.](#)
