Meet Shelby Whidden

We would like to welcome Shelby to the Footnotes Dance and Music Studio staff. Shelby will be teaching a tiny tots class this year on Thursday evenings.

Her love for dancing began as a small child when she attended Patty's Dance Studio in Lehigh Acres, and it has grown through the years. Shelby was a student of both Barbara Mackenzie and Patty Jackson, and we are so excited to now have her returning at a teacher.

You may also know Shelby from Labelle High School where she teaches. Learn more about Shelby by reading her complete bio on our website.

2018-2019 Season!

August 13th is the start of our 2018-2019 season! We are looking forward to year packed with great experiences and memories and want you to be a part of it so [register now](#) for classes to insure you get the day and time you prefer.

In addition to our traditional end of season recital that is typically held in the beginning of June (specific date still TBD) there are many other performances and events to look forward to. We normally have several holiday shows during the months of November and December. In March we perform at the Lehigh Spring Festival held at Veterans Park.

One date you can go ahead and mark on your calendar is Monday, September 3rd, we will be closed for Labor Day. We follow the school calendar for the most part, however there are many Mondays when school is not in session, but the studio is still open for class. We post all closures and important dates to our [news & events page](#) on our website, so take a minute and mark this page as a favorite.

For inclement weather we follow the school district closure, so if school is called for a hurricane or flood the studio will be closed as well.

We look forward to seeing you in class!

Closed August 6-10

We are busy getting things ready for the 2018-2019 season. Don't forget to register for this season.
