Remembering Connor

On Monday, November 12, 2018 we lost one of our 5 year old competitive students, Connor Green, to a tragic car accident.

Connor was an active happy boy and was a student in our Monday Tap 1 class. We will all miss his smiling face at the studio and send out deepest regards to his family.

His family and school set up "The Connor Lee Green Memorial Fund." If you would like to contribute please make checks payable to: Babcock Neighborhood School, Inc. and in the memo line write "Connor Lee Green Memorial Fund". Please mail checks to 43301 Cypress Parkway, Babcock Ranch, Florida 33982.
