Here are some statistics on how many cases of COVID-19 have occurred in dance studios since reopening.

## 2020 Virtual Holiday Show

This year we weren't able to have any live Holiday Shows do to COVID-19, however we still want you see what your students have been working on in class and how much they have improved as dancers so far this season. Therefore, we have decided to do a Virtual Holiday show for each class. The virtual shows will take place during class the week before Winter Break, December 14 - 17. You will receive an email with a zoom link that you can join to watch the performance live. We know everyone will not be able to watch live, so we are also going to record each performance and email the video to each student in the class.

We ask that students wear holiday attire to class the week of the virtual show. Anything you already have is fine. For example, a red, green, or white shirt would be fine. It could also be as simple as a holiday bow or headband. Whatever you might already have.

We are excited to share some holiday spirit with you in the form of dance, please watch your email for more details.
