Dancer Spotlight

Meet Kiara, she is one of our Hip Hop teachers here at Footnotes, a senior at Lehigh Senior High School in the dance program and a member of the LA Stars Dance Company. This past weekend at Fusion Dance Competition she received a Platinum and First Overall for her Hip Hop Solo, Old English.

If you are an aspiring hip hop dancer and want to try one of Kiara's classes come by the studio on Wednesday evenings. Hip Hop 2 for 8 to 12 year olds is at 7pm and Hip Hop 3 for 13 and up is at 7:45pm.

Spring Festival is Almost Here

Every year all the dance classes perform at the spring festival at Veterans Park here in Lehigh Acres. This is chance for the community to see all the dancers as well as a chance for the dancers to get some stage time before our recital at the end of the season.

Since all the classes at the studio will be performing the performance is split into two evenings. One performance will be on Sunday, March 12th at 5:30pm and the other performance will be on Monday, March 13th at 6:30pm. We are currently working on the performance line ups and will be sending out an email and posting the line ups to the website as soon as we have them complete. Right now we do ask that you keep both dates open on your calendar.

The spring festival is a casual performance so there is no costume or anything that is required. We do ask that you wear appropriate dance attire for your classes. Most classes will be performing part of their recital dance, so this show is a little preview of what you will see at recital in June. Remember all the classes still have several months to finish and perfect these routines. The LA Stars will also be performing some of their competition dances at each of the performances.

We look forward to seeing all our dancers take the stage and hope that you can come out and watch and support them. Remember to mark your calendar for Sunday, March 12th and Monday, March 13th. Please note there will not be studio classes on Monday, March 13th due to the performance.
