Congratulations!

Many of you know Miss Lauren. She is one of our dance teachers here at Footnotes. Some of you even know her from Lehigh Senior High School as Mrs. Gomez.

Congratulations to Miss Lauren and husband (Ray), whom welcomed their first child Aliza Rae into the world on January 28, 2019 at 4:44pm. They are all healthy and doing well. Below is a photo of the new bundle of joy.

We miss you Miss Lauren and cannot wait for you to return to the studio. And of course we are all super excited to meet Aliza Rae.

Congratulations! And welcome to the Footnotes family Aliza Rae.

Fusion Dance Competition Feb 8th - 10th

Good luck to the LA Stars in their first competition of the year. Fusion Dance Competition is local competition right here in Fort Myers at South Fort Myers High School.

If you have ever wondered what competition dance is please come on out and support our team and enjoy a morning, afternoon or evening of dance. Spectators can watch free of charge, so there is no cost to you if you would like to watch. If you cannot make it out but want to watch online, they do have the competition streamed, visit: <https://fusionndc.com/live-feed/>

Below is a list of approximate times in which our teams will be performing. Please note these are just approximations, dances can be running ahead of schedule or behind schedule.

Costume Fee Past Due

Due Date was January 15th
\$80.00 per dance class
costume fee is due.

If you just started with us or haven't paid yet there may still be time but please talk to the front desk staff ASAP.

Birthday Parties and Celebrations!

Did you know you can rent studio space for a party or celebration! Make your next party a dance party.

If you are looking for a venue for your next celebration remember us. Simply ask at the front desk for more information regarding pricing and availability.

Exercise with Us!

Starting Tuesday evenings at 7pm we are going to be offering an exercise class. Dance Moms and Dads workout while your child works out. All other Adults are welcome too. Classes are \$5 each.
