2021 Recital Planning Underway

Our 2021 recital theme is the four elements. Teachers are digging to make song selections and students are learning new choreography. Costume selections are pouring in from the teachers for each class. We are tracking growth by taking costume measurements during class.

Excitement is a blaze, our teachers, students, parents, family, and friends are excited to see our 2021 recital. We will continue to share any new developments with you, as we explore the four elements.

Costume Fee Due

Our 2021 recital costume fee is due February 15, 2021. Please check with the front desk to see how much you owe.

LA Star Competition Teams

Due to COVID-19 precautions and restrictions our January and February competitions were canceled however we are still looking forward to an exciting competition season for all our competitive teams. As of right now we are planning on attending the following three competitions with all our competition teams.
