Recital Preparations

We are continuing with recital plans as it gradually comes closer. If you have not already paid your recital costume fees, we ask that you do so as soon as possible to ensure that your student receives a costume. As the fee must be paid before the costume is ordered.

We will be measuring classes this month and beginning to order costumes. No worries if your student misses a class we will measure them in the next class this process generally takes a couple of weeks to complete.

LA Stars Won Many Awards at Leap
