Friday nights from 6pm to 7pm.

Join Bianca every on Wednesdays and/or Fridays for just \$10 per class.

Recital Preparations in Full Orbit

"Everything in the universe has rhythm. Everything dances."
- Maya Angelou

Our recital theme this year is outer space. Teachers are making song and costume selections, students are getting measured in their classes, and parents are paying costume fees, all in preparation for our June recital. Soon students will start defying gravity, space jamming, and becoming one with the force. In just a few weeks we will begin placing intergalactic costume orders as it does take a couple of orbits around the moon for fulfillment.

Our recital shuttle will be launching from Lehigh Senior High School Auditorium, which is located off Gunnery Road over by the Lehigh Public Library and Varsity Lakes Middle School.

Thank you to all of you space travelers that have already paid their costume fees, if you haven't yet please do so as soon as possible. The fee is \$80.00 per class and includes the costume, tights, and any accessories needed for space travel.

As we get closer to blast off please keep an eye out for our galaxy reports, as there will be important information all space travelers will need to know.

Recital Fee Due Date: April 15, 2018
Picture Day: TBA
Stage Rehearsal Day/Time: TBA
Recital Day/Time: TBA

Footnotes Bags

Get a footnotes bag with your name on it, just \$10, ask at the front desk.

First Competition of this Season!

The LA Stars Dance Company is preparing for their first competition of the season. The first competition is just weeks away. Shake the Ground is Friday, February 2 - Sunday, February 4 at Island Coast High School in Cape Coral.

You might see girls and boys trying on costumes as the teams run their dances in costumes for the first time and/or alterations are being made.

This will be the first of 5 competitions this season we would love to have you come out and support the team at any of our local competitions this year, all of which are free to the viewer.
