### 2021 Recital Planning Underway

We are starting to plan our 2021 recital. Our 2020 recital unfortunately ended up being canceled but we are excited to now be looking forward to our 2021 recital. We are researching several possible locations and their availability. Once we select, we will let you know more details about the date, time, and location of our 2021 recital.

We normally have the costume fee due January 15, however this year since we are still researching locations, we are not going to be collecting the fee until February 15, 2021. The costume fee is \$85.00. If your student is in more than one class, there is an additional \$85.00 fee per costume. Some classes create their own costumes from things they already have so please check with the front desk to see if a particular class has a costume fee due or not.

When we have more information about our 2021 recital, we will be notifying you via or newsletter, website, and email.

### Footnotes T-shirt

We are now selling Footnotes T-shirts for \$20. Inquire at the front desk.

### Music Lesson Availability

Do you want to learn a new instrument in the New Year? We have some open music lesson times available. If you are interested in piano, voice, guitar, or drums please let us know at the front desk so we can arrange a time that works best for you.

Parents remember that learning to play and read music has been proven to help in other academic areas.
