2020 Recital Update

As you know we are planning on trying to produce the recital for all our wonderful hard-working students. I will be submitting the dates into the venue to see what we can get. I am working on back up venues in case the schools are not an option. Of course, everything is contingent on our new community friend COVID-19. I will keep you all posted as soon as I know anything! Many of you have been asking when we will charge the recital fees. I decided not to charge them in April when they were due since everything was on hold. To proceed further, we now will start charging the recital fee. I have been monitoring the costumes and a few are already scheduled to ship which is good news! I will keep you posted on that as well. If there are any snags along the way, we will just work it out! I hope everyone had a great weekend and I will see you in class!!!

COVID-19 Update

We are continuing to follow the CDC guidelines to keep all of our students safe. Please help us by continuing to remind your students:

- Use the hand sanitizer when entering the building
- Social distance during classes
- Bring a filled water bottle to class.
- If you are under the weather or have a fever, please stay home.

Our lobby will continue to remain closed at this time, so we do ask you to wait outside for your student to finish class. Thank you for all your support in keeping our students safe.
