Thank you for an Awesome 2023 Recital

We wanted to thank all the families and dancers that participated in recital for helping make it another great success. We finally have all the videos and photos uploaded into our Google Drive. Here are the links. Videos are broken into the 3 acts from the show and I included the line up in case you can't remember the name of your routine or which act you were in. From Google Drive you can download, share, or just view. There are also over 2000 great still photos from recital!! Enjoy!!

Summer Classes

Summer isn't over yet we still have another month before school starts. Classes are still going strong at the studio. It is a great time to try a new style of dance. If you saw something at the recital and thought hey, I want to try that come on in and let us know at the front desk.

We opened a new class at the start of the summer for our Level 1 students. Level 1 Lyrical class is at 5:30 pm on Wednesdays. If you are a level 1 student and aren't sure what Lyrical is or if you would like it, we encourage you to give it a try.

Also, any adults out there if you saw our amazing adult dancers at the recital and want to give it a try, it is a fun way to get some exercise and make great friends. We love to have you join us. Right now, we are offering ballet, jazz, tap and hip hop for adult students.
