Summer Music Lessons!

During the summer we still offer private music lessons Monday through Thursday. We currently offer guitar, drums, piano and voice lessons for \$25 per 30-minute lesson.

We have had students grow up to become professional musicians and many of our younger voice students have auditioned and received parts in area theatre productions.

The summer is a great time to try something new so why not try learning a new instrument. Give us a call and we will find a time that works for your schedule and ours!
