Dancer Checklist!

Reminder to all our dancers returning to the studio please keep the following things in mind:

- Use the bathroom at home before coming to the studio.
- Wait outside until class time.
- Bring Dance Shoes
- Bring a Full Water Bottle
- Stop at the desk for hand sanitizer when entering the building
- Have your ride drop you off and pick you up on time.
- If you cannot make it to the studio please join us via Zoom.

Studio Opening!

As you may know, Florida's Governor decided to open fitness centers, and as a dance studio, we fall under that category. We are grateful for the opportunity to bring the art of dance back once again into the studio because we know that exercise is critical to our health and well-being. The studio will follow the recommendations to ensure impeccable cleanliness, social distancing, and the protection of those most vulnerable in our community.

Our classes will be starting back up in person on June 1, 2020. In the first opening stages, we will only be allowed to have so many students per room to accommodate the social distancing. We will continue to offer Zoom classes to those who would rather continue virtually or if there is an issue with space. We will offer this for the month of June and will re-evaluate for July.

2019 - 2020 Dance Season!

We normally end our dance season the beginning of June with a recital. However due to COVID-19 we have extended our 2019-2020 dance season through August. We are hoping that in August we will be able to have our end of season recital. Once we have our end of season recital then we will start our 2020-2021 dance season. Please stay tuned to your email, our website, and newsletter for more information regarding our end of season recital for 2019-2020.
