## Summer Classes

Remember classes continue all summer long. If you are on vacation for one of the weeks, we are open, you can always come in for a makeup class in any class of the same level as the one you miss. For example, if you are in Jazz 2, and you miss class because you are on vacation, you can come in and do a makeup class in Contemporary 2. Just stop at the front desk when you come in for the makeup class, so we know that is what you are doing. This is a great way of trying another dance style you have never had the chance to try.

If you are out of town all summer our regular season starts back up in August, so we will see you then.

## Footnotes Dance 2K 2026 Recap

Thank you to all our dancers, their families and supporters for making our 2026 recital a wonderful success. We are so proud of how all our dancers performed on stage and the progress each of them has made throughout the year.

We are also excited to share some great photos that were taken by our wonderful photographer Ms. Kimberly. Simply click on the recital photos link and scroll through all the recital images and download your favorites.

[Download Recital Photos](#)

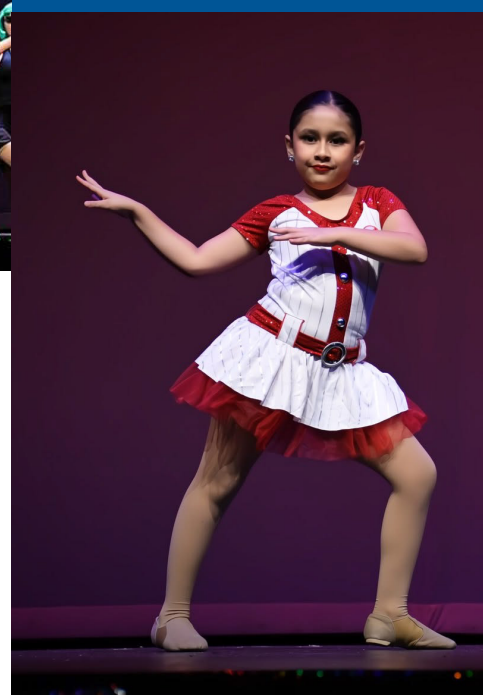

We are still working on editing and loading the recital video links. As soon as we have the videos loaded, we will be sending out an email with that link in it so you can download any videos from recital that you would like to save.

We would also like to thank anyone that donated to our concession stand. It was another great success thanks to so many of you for donating. We truly appreciate all our dance families helping us keep costs down year after year by supporting our recital concession stand.

## Holiday Closure

The studio will be closed July 4th week. June 29 - July 5. We hope you have a safe and happy holiday. [More Info](#)

## LA Stars Attended Nationals

Our competition team is getting ready to attend Showstopper Orlando Nationals July 1 through July 5. It has been 9 seasons since our competition team has attended a national competition. Since we only have a few girls on our team that have ever attended a national competition, this will be a new experience for most of our dancers, and a great way to grow as a team and individual dancers.

As this will be our final 2025-2026 event, we will be posting videos of this season's dances after Nationals so look for a link to those in next month's newsletter, it is a great way to catch any dances you didn't get to see as these are professional videos taken at competition.

For all our returning dancers and new competition dancers our 2026-2027 competition season begins in August.
