Dancer Spotlight

Meet Kayla, she is a 7th grader at Alva Middle School. Kayla has been dancing since she was 3 years old. She joined the Footnotes family and competition team this year after moving from New Jersey to Florida with her family.

Kayla placed first overall with her solo "Say Love" at both Shake the Ground and Fusion dance competitions this past month. We would like to say congratulations and welcome to the Footnotes family Kayla.

The Spring Festival

As many of you that have been with us for a few years know we typically perform at the Spring Festival on Friday evening and Monday evenings. Unfortunately, this year the Spring Festival falls on a Dance Competition weekend, so many of our dancers and teachers will be elsewhere on Friday, which means we will only be performing on Monday, March 12, 2018.

Since we now only have one performance date we do not have enough time to have all the classes perform at the Spring Festival. Therefore, we will be selecting and notifying you if your student's class is participating in the show at the Spring Festival. We will be emailing, announcing it in class and will be posting a schedule of participating classes on the bulletin board in the lobby. If you are unsure if your student's class is performing, please do not hesitate to ask at the front desk.

For the Spring Festival performance, we simply ask that you wear your best dance attire and bring the shoes that are appropriate for the dances you will be performing. If your child has longer hair, please secure it away from his/her face for the show.

Some of our competition teams will also be performing, so even if your student's class is not in the performance line-up we encourage you to come and enjoy a free show and fun evening at the fair.

Spring Break!

The studio will be closed for spring week from Monday, March 19, 2018 to Friday, March 23, 2018.
