Don't miss your chance to see the LA Stars perform. We have one more local competition on March 16th at South Fort Myers High School. This is a one-day competition so it is a great opportunity to come out and support the team. We hope to see you there.

Spring Break!

The studio will be closed March 18th through March 22nd for Spring Break.

Enjoy your break, all classes will resume on March 25th.

Lehigh Spring Festival

This year we will be performing at the spring festival however since we are only performing on one day at the spring festival it isn't enough time for all classes to perform as we have done in years past.

The studio will be performing on Monday, March 25th. The LA Stars will be performing some of their competition dances so if you didn't make it to one of the local competitions this is a great chance to see them in action.

Other select classes will also be performing. If your class is performing the students will be notified in class and an email will be sent out. Even if you are not performing, we hope that you will come out and support the students that are performing.
