Another Update on Our Move!

The renovations on our new space are still in progress. Painting and flooring still need to be completed, so at this time we still do not have a move in date. It may be sometime this month but only time will tell, so please keep an eye out for an email update. As soon as we have a date, we will let everyone know.

Thank you again for your patience as we continue to get closer to transitioning to our new location in the plaza.
