Support an Alumni

Many of you may remember Willy, a former Footnotes student who brought so much light, talent, and personality into our studio. Willy has always been such a lovable, bright, and incredibly talented kid, and he holds a special place in the Footnotes family.

Over the years, Willy has been battling serious liver issues, and his family is currently facing the financial burden that comes with ongoing medical care. A GoFundMe has been created to help support him during this difficult time. If you're able to help, even in a small way, it would mean the world to Willy and his family. And if donating isn't possible, sharing the fundraiser can make a huge difference too.

Let's come together and show Willy the same love and support he brought to our studio. [Donate Now](#)

2026 Recital Dates

LA Stars To Attend Revolution

Our competition teams will be attending their second competition of the season March 13 through March 15, 2026. We are excited to see how they have improved since the last competition as our teams have been practicing hard and applying corrections to their routines.

This is another local competition, as we will be competing at the Arena at the FSW campus in Fort Myers. So, if you want to come out and support our teams feel free to stop by our dancers and appreciate all the support. Dance schedule for the weekend is available at the front desk if you are interested, we would be happy to share it with you.
