Studio Reopening

Due to COVID-19 restrictions as you aware the studio has been closed. As Florida opens back up so will the studio. Right now, phase 1 openings are happening in our area. We are part of the phase 2 openings, which we expect will be happening in June. As we get more information, we will make sure that we relay that information to you. We look forward to seeing all our students back in our new studio in June.

Recital Update

Right now, our plans are to reschedule our June recital for August. When we return to the studio in June classes will continue through June and July and we will have our end of season recital in August. More details will come.

Summer/Fall Dance Classes

We normally do a condensed schedule for the months of June and July however since we have not been in the studio these last several months due to COVID-19 we are not going to have a different summer schedule this year. When the studio opens back up in June, we will resume with the schedule that we had before the closing. Students that normally take the summer off we ask that you continue class with us this summer so that you can still be a part of the end of season recital which will now be in August. Then if you want to take a month or so off feel free to do so. Our 2020-2021 season will begin immediately after our August recital.
