Summer Classes

All our recreational classes continue all year long. So once recital is over dance doesn't stop. Keep your kids busy all summer long by continuing to dance. It is also a great time to try additional classes and styles of dance.

Bring a friend along to dance this summer, remember the first class is free and they might love dancing just as much as you do. We hope to see you all this summer!

LA Stars Attended Showstopper

We are so proud of all our dancers and how well they have done throughout the season and at showstopper competition this past month. This was our last regular competition for this season; however, our teams are continuing to work hard this year as they will be attending Nationals in July.

If you want to see what we have been up to this season and prior season check out the LA Stars section of our website. There are photo galleries and videos showing just how much fun is had each season.
