Meet Sharon Rooks!

We would like to introduce you all to Sharon. Although she is not new to the Footnotes Family, as her daughter is a dancer here at Footnotes, she has taken over our Dance Company Arco classes this year.

We are excited to have Sharon join our staff. She brings with her a love and knowledge of the gymnastics. She started doing gymnastics when she was just nine years old and has been coaching since she was 14.

You might also recognize Sharon from Veterans Park Academy for the Arts where during the day she is a teacher.

Holiday Performances!

Mark your calendars now for the upcoming holiday performances. For the next couple months, you will hear holiday music echoing in our hallways as all of our classes (with the exception of tumbling classes) prepare for our holiday shows.

We encourage all students to participate in these performance opportunities. All students need to perform in our holiday show are black leggings (girls), black pants (boys) a red or green shirt and shoes appropriate for their class(es).

This year we will be having two holiday shows:

Lehigh Town Center Tree Lighting Friday, December 7th at 6pm

This is right here in the plaza at Footnotes. Students will be dropped off at the studio, and then parents can go down to the plaza to enjoy the show. After your student performs we ask that one parent come to the studio to pick them up.

Gulf Coast Town Center Show Sunday, December 16th at 3pm

This show is on the main stage right next to the Pirate Ship Playground. Students will line up behind the stage. Feel free to bring a blanket and/or lawn chairs for the grass to watch the show. This is a great show to take photos and videos.
