## Let's Not Stick Our Tongue Out at 2020, 'Tis the Season to be Thankful.

Although 2020 has look much different than past years there is still so much to be thankful for this season.

We would like to thank all the wonderful dance Moms and Dads that we have at the studio. Without you none of what we do would be possible. You not only support financially; you also give of your time to drive your students back and forth to classes. You encourage them to try their best when in class and to practice when they are not in class.

We would like to also thank all our wonderful teachers and student teachers. You all make our classes possible by being prepared, on time and encouraging.

And finally, we would also like to thank our students. We deeply appreciate all our students that stuck with us through the COVID closure and Zoom classes. We are thrilled with all our new students that have joined since reopening as well. We love seeing all our students grow and develop as dancers over the years.

Thank you all for following all our COVID guidelines, to ensure that everyone stays healthy and can continue to come to classes. We just want to let you know that we appreciate you. Thank from all of us here at Footnotes Dance and Music Studio.

## Closed Thanksgiving

The studio is closed the week of Thanksgiving from Monday, November 23, 2020 thru Friday, November 27, 2020. Enjoy the holiday with family and friends.

## Continuing COVID-19 Protocols

Please remind your dancers, we are still following COVID-19 guidelines.
