Classes Are Filling Up

We are now two months into our season and classes are filling up. However, it is not too late to register for an additional class or to invite a friend to try class with you.

To add an additional class to your schedule it is only \$35.00 each month. Simply talk to us at the desk and we would be happy to help you add another class.

Don't forget that if you invite a friend to class, they get to try the first class for free. Also, if they end up signing up for class you will receive a \$25 referral credit to your account after they register and pay the first month's tuition.

Don't wait make sure you get your spot reserved in class today!

Music Lessons

Private music lessons are available for voice, guitar, drums and piano. Ask at the front desk regarding time availability.

Continuing COVID-19 protocols

Please remind your dancers, we are still following COVID-19 guidelines. Remember to go to the bathroom at home before class (if possible), bring a water bottle (there is not water fountain), use sanitizer when entering (located at the front desk), have parents wait outside, and drop off and pick up on time.

And as always if your dancer isn't feeling well, please stay home, we do offer make up classes when your student is feeling better and can return to class or you can always join class via Zoom from home. We appreciate your help in keeping our dancers and staff safe.
