LA Stars Bag Fundraiser Extended Due to Irma

Please support the LA Stars Dance Company Competition Dance Team by purchasing a bag. The order date has been extended until October 15, 2017 due to Hurricane Irma, to allow everyone time to place their order at the front desk.

This is a great way to transport your dance shoes or your music lesson materials to and from the studio. We will be adding your first name under the logo so that you will always know which bag is yours.

Bags are only \$8.00. Bags should be in by the end of October or beginning of November for pick up. Thank you in advance for supporting the LA Stars.

Moving Forward After Hurricane Irma

We have been praying our entire Footnotes Family was safe from the devastation of Hurricane Irma. We have all experienced a very stressful couple of weeks, with the destruction Irma has brought to our area and we know a lot of you are still without power. Our hearts and prayers go out to everyone!

The studio received damage from flooding as water pummeled the front of the building and came in through the 2 doors and the top of windows. When we walked in the day after, the lobby was sitting in about an inch of water. Even the kitchen set in the playroom was full of water! Luckily, we don't have window fronts like many of our neighbors in the plaza who all had shattered glass and water damage. All the flooring in our lobby/hallway as well as the flooring on the other side will need to be replaced.

GOOD NEWS is that no water made it to our dance floors!! So we are ready to resume dancing and all dance classes and music lessons will start this Wednesday, September 20, 2017.

If you are not already enrolled in a class and would like to enroll please click to register below or come by the studio.

LA Stars Announcements

We are cancelling the Showstoppers convention scheduled for next weekend. Too many of our families have been affected with costs associated with this and lots of us have been out of work. Although we are disappointed, we realize that we need time to repair our lives, and many of us don't have power or running water yet. We will look for another possible convention we could attend later in the season or maybe have one come to us.

Since we have canceled the convention we will use Saturday, September 30, 2017 to start our choreography for this season. We will begin at 9am, team members will receive a full schedule soon.
