## Welcome Miss Haley

We would like you to join us in welcoming Miss Haley to our staff this season. Haley will be teaching some tumbling and ballet classes this season.

Haley grew up in Lehigh Acres. She graduated from Lehigh Senior High School as a dance major in 2018, and she grew up dancing at Footnotes. She has taken class from many amazing teachers and choreographers, her favorites being in ballet, acrobatics, and contortion.

She currently studies Environmental & Sustainability Studies at Florida Gulf Coast University. She loves traveling and spending as much time as she can outdoors!

## 2020-2021 Dance Season Starts

Our 2020-2021 dance season started August 31, 2020. As of right now classes will continue in a hybrid format that you can attend in person or virtually. New virtual links for all classes will be going out this week. If you are attending class virtually and have not received the new link please contact the studio.

For our face to face classes all our COVID-19 protocols are still in place to ensure the safety of our staff and our dancers. We are also requesting that only the dancer enters the studio. If you do need to come in and make a payment or have a question, we ask that you wait to come in until five minutes after the class start time. This will reduce the foot traffic when classes are starting and finishing.

You can register for the new season online or call 239.369.4320 Monday through Thursday between 5:30 and 7:30pm.

Have a wonderful Labor  
Day weekend with friends  
and family.

## Water Bottle Reminder

Please remind your dancer to bring a prefilled water bottle to class with their name on it. This is especially important if your student has back to back classes, as there is no water fountain available at the studio.

## Private Music Lesson Openings Available

We still have openings for our 30-minute private one on one music lessons in drums, guitar, piano and voice. If you are interested, please call 239.369.4320 for day and time availability.
