Congratulations Miss Sarah

We want to take this time to congratulate Miss Sarah on the birth of her daughter Loretta. Our newest dance family member arrived on July 7, 2022.

She has already made a couple of appearances at the studio since her birth, and we are sure you will see her around the studio even more.

We are also excited to welcome Miss Sarah back from maternity leave this month. Although she has been at the studio a few times already she is officially back this month.
